**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer who supports broadband competition as a means to ensure the best communication options are available. I've been able to benefit from fiber networks at competitive rates due to way that unbundled copper and inter-city fiber transport elements (UNEs) are used by my ISP to compete in the residential marketplace.
